CHEESESTEAKS - HOAGIES & GRINDERS

Real Philly CHEESESTEAKS from Philly!

If you haven't had OUR SANDWICHES or ONE MADE in Philly - YOU haven't had ONE!

With over 25 years experience and sandwiches made to order with fresh ingredients, you'll taste the difference at *Ken & Betty's*. The Kemlers moved to Wisconsin in 1987 to buy the Lamp Restaurant. Shortly after moving to the area they discovered that *REAL Philly Cheesesteaks* did not exist in Wisconsin and that the ingredients were very hard to find. On trips home to Philly they would stock up on steak rolls, white American cheese and Tastykakes so they could make cheesesteaks and hoagies in Wisconsin. In 1996, they had finally found regional suppliers for all of the ingredients to make authentic cheesesteaks, hoagies & grinders. After much searching, they found the perfect location and *Ken & Betty's* was opened. Since then people have been able to enjoy a *REAL Philly Cheesesteak* in Wisconsin.

So stop in and try one today!!
